The Honorable Board of Supervisors
County of Los Angeles

Los Angeles, CA 90012

Dear Supervisors:

COUNTYWIDE CLASSIFICATION ACTIONS (ALL SUPERVISORIAL DISTRICTS) (3 VOTES)

SUBJECT

This letter and accompanying ordinance will update the tables of classes of positions and departmental staffing provisions by deleting non-represented classifications, by changing the title of classifications, by reclassifying positions in various County departments, and by making technical corrections.

IT IS RECOMMENDED THAT YOUR BOARD:

Approve the accompanying ordinance amending

- Title 2 – Administration, of the County Code to reflect classification deletions;
- Title 5 – Personnel, of the County Code to reflect classification deletions;
- Title 6 – Salaries, of the County Code to delete 57 non-represented classifications, to change the titles of three (3) non-represented classifications, to reclassify 21 positions to implement results of classification studies in the departments of the Assessor, Board of Supervisors, Child Support Services, County Counsel, Fire, Health Services, Human Resources, Internal Services, Mental Health, and Registrar-Recorder/County Clerk, and to make technical corrections.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Your Board of Supervisors (Board) has requested submission of classification letters on a periodic basis throughout the year to facilitate consideration of classification and compensation recommendations in a timely manner. Approval of these recommendations will provide the ordinance authority for County departments to implement the classification recommendations in this letter.

These recommendations will ensure the proper classification of positions based upon the duties and responsibilities assigned to these jobs (Attachment B). This is a primary goal of the County's classification and compensation system. Positions reclassified upward, downward, and laterally are consistent with the class concepts of the proposed classifications.

We are recommending these actions based upon generally accepted principles of classification and compensation. Furthermore, these actions are important in addressing departmental operational needs and in maintaining consistency in personnel practices throughout the County. The proper classification and compensation of positions facilitates good business operations and can reduce the number of costly personnel-related problems.

Deleted Non-Represented Classifications

In conjunction with our Human Resources Transformation Strategic Initiative Project to reduce classifications, we are recommending deleting 57 non-represented classifications (Attachment A). As part of our standard process we have obtained concurrence from department-users for these obsolete classification deletions, which have been vacant for a significant amount of time. In addition, any compensation provisions that identify any of the classes up for deletion will be amended accordingly.

We are further recommending the deletion of 54 vacant non-represented Superior Court classifications (Attachment A). The responsibility for these classifications was transferred as a result of the passage of SB 1732, which required the transfer of county courthouses to the State. These classes were previously deleted from the County's classification plan; however, they remain in the Countywide Timekeeping and Payroll Personnel System (CWTAPPS). Since these classes have been vacant since 2005 and the department no longer exists, we recommend that they be deleted from CWTAPPS.

Title Changes/Departmental Provision

We are recommending a title change for Supervising Psychiatric Social Worker (Attachment A). The proposed new title, Mental Health Clinical Supervisor, is a more general title that reflects the broadening of the Minimum Requirements to include licensure and experience as either a Clinical Social Worker or Marriage and Family Therapist. In addition, this title is referenced in a separate compensation provision and will be amended accordingly.

Additionally, we are recommending that "Affirmative Action" be removed from the title of the classes of Senior Deputy Affirmative Action Compliance Officer and Deputy Affirmative Action Compliance Officer. The term "Affirmative Action" is considered outdated in the field of human resources as it now falls under the overall concept of employment equity.

We are further recommending a title change of the department-specific classification of Information Technology Manager, Eligibility Systems to a generic title of Senior Information Technology Manager. This classification, which is allocated in the Department of Public Social Services, is being revised so that it can be used to cover other IT management assignments that are similar in size and scope.

Reclassifications

Based upon individual position studies conducted at the request of eight (8) departments, we recommend that 17 positions be reclassified (Attachment B). The assigned duties, responsibilities, and/or utilization of these positions have changed since the original allocations were made. The positions would be more appropriately classified to the recommended classes.

Further, based on our continuing implementation of the Countywide Human Resources Manager Study in conjunction with the current HR Transformation Project to consolidate single position classifications to broader, generic classifications, we recommend that four (4) positions in three (3) departments be reclassified (Attachment C). The assigned duties, responsibilities, and/or utilization of these positions are sufficiently similar to those within the Departmental Human Resources Manager Series and Administrative Deputy Series, respectively.

Technical Corrections

We are amending the staffing provisions for the Departments of Beaches and Harbors and Mental Health to make technical corrections to our Countywide Contracting Occupational Study recommendations adopted by your Board on March 29, 2011. For the Department of Beaches and Harbors we inadvertently reclassified one (1) Contracts Monitor, Recreational Services that was allocated to their Contract & Grants Unit to an Administrative Services Manager I classification. As such in Sections 20 and 21 of the attached ordinance we are recommending the deletion of one (1) Administrative Services Manager I item and the addition of one (1) Contract Monitor, Recreational Services item, respectively. For the Department of Mental Health, one (1) additional Administrative Services Manager I item was inadvertently ordinated to their Contracts Development and Administration Division. As such, in Section 43 of the attached ordinance we are recommending the deletion of one (1) Administrative Services Manager I item. These technical corrections were identified after further review of each department's item control and additional information that was provided by each department.

Implementation of Strategic Plan Goals

Your Board's approval of the accompanying ordinance will further the County Strategic Plan Goal 1 - Operational Effectiveness. Specifically, it will address the Service Excellence and Organizational Effectiveness Strategy to improve the quality of the workforce, to achieve departmental operational efficiencies, and to maintain consistency in personnel practices throughout the County. These recommendations are in line with the Human Resources Transformation Strategic Initiative Project, which includes the deletion of specialized classes in an effort to streamline the classification system.

FISCAL IMPACT/FINANCING

The projected budgeted annual costs for the 21 positions that will be reclassified is estimated to total \$148,555 (all funds). Net County cost estimated to be \$74,870. Cost increases associated with the upward reclassification actions will be absorbed within the Board's adopted budget for each affected department. No additional funding is required.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

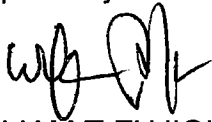

The County Charter authorizes the establishment and maintenance of "a classification plan and the classification of all positions." This responsibility is further delineated in Civil Service Rule 5.

Appropriate notifications have been made to the impacted employee organizations regarding the recommended classification actions. The accompanying ordinance implementing amendments to Title 6, Salaries, of the County Code has been approved as to form by County Counsel.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Your approval of these classification recommendations will enhance the operational effectiveness of the departments through the proper compensation of positions.

Respectfully submitted,

WILLIAM T FUJIOKA
Chief Executive Officer

RECOMMENDATIONS FOR POSITION RECLASSIFICATION

ASSESSOR

Number of Positions	Present Classification and Salary	Classification Findings and Salary
10	Ownership Clerk II Item No. 1360A NMV 67E Represented	Ownership Services Specialist Item No. 1361A NMV 71E Represented

The subject Ownership Clerk II positions report to a budgeted Ownership Services Supervisor I and are assigned to one of the two Proposition Investigation Units within the Ownership Services Division of the Roll Services Branch. The positions' primary duties include investigating denied ownership proposition claims; analyzing and determining the eligibility of the denied proposition claims; and applying various complex laws and Revenue and Taxation Code regulations in order to respond to constituents regarding their denied proposition claims.

The assigned duties are consistent with the classification standards for Ownership Services Specialist. By definition, the Ownership Services Specialist class requires the possession of higher-level knowledge, skill and ability to analyze, interpret and correctly apply the aforementioned regulations and laws. Therefore, we recommend upward reclassification to Ownership Services Specialist.

BOARD OF SUPERVISORS

Number of Positions	Present Classification and Salary	Classification Findings and Salary
1	Administrative Assistant III Item No. 0889A NM 85K Represented	Executive Assistant Item No. 1120A NM 103E Non-Represented

The subject Administrative Assistant III position is currently vacant and will report directly to the Chief Deputy, Executive Officer, Board of Supervisors (UC), located in the Executive Office's Administration Division, which will work collaboratively with division managers, the Chief Executive Office's (CEO) Intergovernmental and External Affairs Branch, Department Heads, Board Deputies, and State Legislators and their staff. The position will be primarily utilized to function as the department's legislative expert as well as oversee and coordinate all public records requests.

Specifically, the position's main legislative duties will include analyzing and reviewing pending legislation and making recommendations for changes to proposed and existing legislation that impact the Executive Office, the Board and numerous County Commissions; developing legislative proposals that directly impact the Board and the Executive Office; and tracking the status of proposed changes and assisting in the implementation of adopted legislative changes.

Additional responsibilities will include public records request to determine if a request meets the requirements of the Public Records Act; providing information that complies with regulations set forth by the Public Records Act; and analyzing and responding, in writing, to subpoenas, court orders and other requests for information while ensuring that responses to requests are made within the timeframe mandated by California law.

As such, the aforementioned duties will be more reflective with those performed by an Executive Assistant, a classification which encompasses critical aspects of the subject job including conducting legislative analyses; recommending changes in legislation; and serving as legislative liaison with the Chief Executive Office, various commissions, and external public and private entities. Therefore, we recommend upward reclassification of this position.

CHILD SUPPORT SERVICES

Number of Positions	Present Classification and Salary	Classification Findings and Salary
1	Accounting Officer II Item No. 0657A NM 90B Represented	Fiscal Officer I Item No. 0752A NM 97A Non-Represented

The subject Accounting Officer II position reports directly to a Fiscal Officer II and is assigned to the Fiscal Management Division, Accounting Services Section, which prepares administrative claims to capture detailed departmental expenditures. The position provides oversight of the daily operation, through subordinate supervisors, to four (4) units: General Accounting, Internal Control, Claim/Revenue/Cashier, and Accounts Payable. In addition to its supervisory duties, the position functions as the departmental liaison to the Auditor-Controller, the State, and other outside auditor agencies to address the State's claiming procedures, internal controls compliance, and audits.

The duties and responsibilities assigned to this position are consistent with the classification standards for the Fiscal Officer I classification. By definition, the Fiscal Officer I directs the work of a moderate staff in the operation of a moderate to large scale complex accounting program through a subordinate accounting officer and has major non-accounting financial responsibility which involves the supervision of an active collection program, making recommendations concerning the management and investment of large funds, preparation of highly technical financial analyses and projections, or negotiation and administration of revenue producing agreements. Therefore, we recommend upward reclassification of this position.

HEALTH SERVICES – RANCHO LOS AMIGOS NATIONAL REHABILITATION CENTER

Number of Positions	Present Classification and Salary	Classification Findings and Salary
1	Electroencephalograph Technician I Item No. 5560A NM 72G Represented	Electroencephalograph Technician II Item No. 5561A NM 75H Represented

The subject Electroencephalograph (EEG) Technician I position reports to a Physician Specialist and is assigned to the Epilepsy Unit in the Neurology Department. The position is responsible for performing long-term, noninvasive video-EEG monitoring studies on inpatients who are suffering from medically intractable epilepsy. Additional duties consist of the completion of appropriate EEG reports, minor repairs, maintenance of inventory supplies, as well as providing technical guidance and hands-on training to community college students on proper EEG techniques and test administration.

The scope of the subject position's duties is more consistent with the class specifications for the EEG Technician II classification, which performs more complex testing procedures. The duties and requisite skill is more than those expected of a journey-level EEG Technician I, which performs routine EEG exams. Therefore, we recommend the upward reclassification to Electroencephalograph Technician II.

HUMAN RESOURCES

Number of Positions	Present Classification and Salary	Classification Findings and Salary
1	Principal Deputy Affirmative Action Compliance Officer (UC) Item No. 1685A N23 R11 Non-Represented	Principal Analyst, Human Resources Item No. 1914A NM 107D Non-Represented

The subject position is recommended to be removed from the unclassified service based on the severance of its direct reporting relationship to the Chief Deputy. The severance of this reporting relationship was a result of the implementation of the January 21, 2011 Board memo recommendation to consolidate the majority of the Office of Affirmative Action and Compliance into the Department of Human Resources, as a cost neutral way to fund the new equity oversight panel. As a result, this classification no longer meets the criteria for unclassified status, based on County Charter, Article IX, Section 33, which requires that unclassified positions be next in line of authority to Chief Deputy.

The subject position most closely matches the Principal Analyst, Human Resources in terms of duties, as well as level and scope of responsibility, and is consistent with the class concept and allocation standards for Principal Analyst, Human Resources. The Principal Analyst, Human Resources has immediate charge of a major program providing operating departments with professional services and guidance in the administration of Countywide programs. The subject position will report to a Senior Human Resources Manager and will be responsible for managing, planning, organizing, and evaluating the work of one or more sections of professional staff engaged in investigating, monitoring and enforcing compliance of employment equity, diversity and civil rights-related programs. Therefore, we recommend the upward reclassification to Principal Analyst, Human Resources. This department specific classification will be deleted from the Classification Plan once vacated.

INTERNAL SERVICES

Number of Positions	Present Classification and Salary	Classification Findings and Salary
1	Administrative Manager XI, ISD Item No. 1080A N23 S11 Non-Represented	Administrative Manager XIII, ISD Item No. 1082A N23 S13 Non-Represented

The subject Administrative Services Manager XI, ISD position reports directly to an Administrative Manager XV, ISD, UC who serves as the departmental Administrative Deputy, and is assigned to the Support Division within Administration and Finance Service. The position's primary responsibility is to manage all department strategic planning, as well as develop, implement, and manage the Quality Assurance Program. The subject position also serves as the departmental public information officer and legislative analyst.

The position's duties and responsibilities have grown from providing administrative oversight to encompass full time management and supervision of the entire Division. The wider scope and higher level duties of the subject position are more consistent with the Administrative Services Manager XIII, ISD, a class which manages a division within a Service of the Internal Services Department, with responsibility for planning, organizing, business development and directing services and products. Therefore, we recommend upward reclassification to Administrative Services Manager XIII, ISD.

MENTAL HEALTH

Number of Positions	Present Classification and Salary	Classification Findings and Salary
1	Psychiatric Social Worker II Item No. 9035A N3MW 88B Represented	Mental Health Clinical Supervisor (Title Change) Item No. 9038A N3MW 92C Represented

The subject Psychiatric Social Worker II position reports to the Mental Health Clinical Program Head and is responsible for overseeing the Older Adult Services West Valley Mental Health Center Field-Capable Clinical Services (FCCS) Program. The position supervises a staff comprised of three (3) Psychiatric Social Workers, one (1) Mental Health Counselor, R.N., and one (1) Mental Health Services Coordinator II, which provides treatment to persons with severe and persistent mental illness throughout the San Fernando Valley area.

The duties and responsibilities of the subject position place the position in a supervisory role rather than a lead or senior-level role. The breadth of duties and the higher-level responsibility for both technical as well as administrative supervision are more consistent with the allocation standards of the Mental Health Clinical Supervisor. Therefore, we recommend upward classification of the position to Mental Health Clinical Supervisor (title changed from Supervising Psychiatric Social Worker).

Number of Positions	Present Classification and Salary	Classification Findings and Salary
1	Printing Production Supervisor I Item No. 7577A NM 71G Represented	Printer I Item No. 7575A NM 67G Represented

The subject Printing Production Supervisor I position reports to a Printing Production Supervisor II and is assigned to the Information Technology Bureau, Network and Voter Systems Division, Printing Services Section. Duties include the operation of a high-speed production printer, the operation of a production paper folder for legal, letter, and ledger sized papers; and the operation of a power paper cutter to accommodate custom sized requests.

The scope of the subject position's duties is more consistent with the Printer I, a class which operates a sheet fed offset press, offset duplicator, or a high speed programmable computerized photocopier in the production of routine, standardized printing jobs. Further, the subject position does not provide supervision, technical or administrative, to any lower-level staff. Therefore, we recommend downward reclassification to Printer I.

These single-position department specific classifications will be deleted from the Classification Plan once vacated.
